Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

**PETITION FOR WITHDRAWAL OF HOLDING OF ABANDONMENT PURSUANT TO 37 CFR 1.181**

To the Commissioner for Patents:

Applicant received a Notice of Abandonment dated February 13, 2004 for the above-referenced application. A copy of the Notice is enclosed herewith. The Notice of Abandonment indicated that the application became abandoned for "failure to timely file a proper reply to the Office letter mailed on June 4, 2003." However, Applicant did not receive the Office Action mailed on June 4, 2003. Thus, Applicant hereby petitions the Commissioner to withdraw the holding of abandonment of the current application and re-issue the Office Action originally mailed on June 4, 2003.

In support of this petition, Applicant is enclosing herewith a print-out of its docket records for this file. As can be seen from this print-out there was no docketing of any action

mailed on June 4, 2003, which would have had a three-month response date of September 4, 2003 and a six-month response date of December 4, 2003.

Applicant is also enclosing a print-outs of the docket record for its attorney from August 25, 2003 to September 14, 2003 (the period ten days prior to the three-month response date to ten days after the three-month response date) and from November 20, 2003 to December 14, 2003 (the period from ten days prior to the due date to ten days after the due date) to show all responses due by Applicant's attorneys' firm on and around the three month due date of September 4, 2003 and the six-month due date of December 4, 2003. It is noted that these docket records indicate that the Office Action dated June 4, 2003 for the above-referenced application was not received.

Applicant is also enclosing a copy of the cover of its file jacket for this application, which reflects the docketing for this application. Had the Office Action of June 4, 2003 been received by the Applicant, the docketing records on the Applicant's file jacket would reflect docketing for a response due three months from the mailing date of the Office Action (namely, September 4, 2003) and six months from the mailing date of the Office Action (namely December 4, 2003). As can be seen, no such docketing was done for this application.

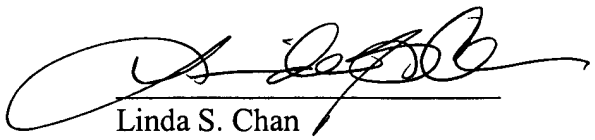

Also enclosed herewith is a statement by Applicant's undersigned attorney in support of the current petition.

In view of the foregoing, it is respectfully requested that the current application be reinstated and the Office Action originally mailed on June 4, 2003 be re-issued and the response time for such Office Action re-set.

It is believed that no fee is due with this petition. However, if any fees are due with this paper, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 50-1290.

Please direct any inquiries regarding this petition to the Applicant's undersigned attorney, who may be reached directly by telephone at (212)940-8712.

Respectfully submitted,

Linda S. Chan
